Nicole H. Baker, Principal

February 10, 2010

Mr. Clement Williams

Dear Mr. Williams:

On behalf of our students and staff, I would like to thank you for the motivational talk you gave at our school during "Red Ribbon Week". You really reinforced the importance of abstaining from drugs, alcohol and "peer pressure" in a way that our young people can relate to. Our students are still talking about you and your presentation and asking when you will return.

We hope that you will visit us in the future and wish you success in all your endeavors.

Sincerely yours,

Nicole Baker,
Principal
